

My Own Redemption

Skeletal Family

They wait
Impatiently to watch us fall
So they can sift through our bones
And leave us with no words at all
Losing our control
We're losing our control

They stare
They stare us down to watch us fail
Then point their fingers and cast blame
While they watch us weep and wail
You are not my resurrection
I am my own redemption
You are not my resurrection

I am my own redemption

Stop
They'll never stop their wicked ways
Twisting their lies and spreading hate
They even rob us from our graves
Losing our control
We're losing our control

You are not my resurrection
I am my own redemption
You are not my resurrection
I am my own redemption

Ah, ah
Oh, oh, oh, oh
Oh, oh, oh, oh, oh
