

# Catastrophic Retribution

## Skeletal Remains

Imprisoned falsely accused  
Stripped of all human dignity  
Awaiting bound and chain to the wall  
Hanging just above the ground  
Excitement filling them all  
As a stampede of laughter approaches  
No remorse for my impending doom  
Trial by death has been chosen

Crucified  
Nailed to the cross inhumane form of execution  
All shall die  
Raging fires from the sky  
Burning their souls from within  
Immortalized  
Forever engraved in minds of the condemned  
Fading fast  
Hypovolemic shock catastrophic retribution

Unshackled and beaten to the ground  
Process of scourging begins  
Cracks of the flag-rum heard from a  
Distance as it slowly closes in  
A Savage form of torture affliction is implied  
Hooks bone and iron tearing my flesh  
I beg for mercy but it's carelessly denied

Excitement filling them all  
As a stampede of laughter approaches  
No remorse for my impending doom  
Trial by death has been chosen

Crucified  
Nailed to the cross  
All shall die  
Raging fires from the sky  
Immortalized  
Engraved in their minds  
Fading fast  
Catastrophic retribution

Massive cross weighing down on me  
Ripping away at the flesh exposed  
Iron spikes nailed through my limbs  
Ascended as my sight slowly dim  
Baring witness to the cruelty of man  
Horrid screams of agony  
Retaliating purge summoned fires from the sky
