

Devouring Mortality

Skeletal Remains

Unknown origins
Terminal extermination of the masses
Septicemic plague
Hemorrhaging and necrotic nodes
Black death epidemic
Regurgitating blood infected
Unsanitary conditions

Perpetual widespread disease
World obliteration
Infested parasites quickly roaming
Puncturing through skin
Contaminating life

Devouring morality

Internal bleeding altering body parts
Charcoal like skin vomiting blood
Lapsing into constant seizures
Confusion in the mind comatose state body
Mind numbing agony flesh decays from within
An aggressive parasite laying waste to your body
Excruciating sickness
Gangrene becoming more apparent day by day
Consuming your body with immense decay

Internal bleeding altered body parts
Charcoal like skin vomiting blood
Lapsing into constant seizures
Confusion in the mind comatose state body
Devour morality
