

High Notes

Skeme

I know I'm not yours and you're not mine tho
See I'm tryna keep these feelings on the low but they gettin ha
rd to hide tho
Girl fuckin with both, girl imma need the high vote
I be tryna keep it low key
But every time I go deep baby get to hittin high notes

Look, Baby say she want a nigga witta bankroll
Just so happen I'm the nigga with them bankrolls
No B.S.'n I just give her what she came for
When she throw that back I'm like "bae that's what it made for"
I text baby that little smirk emoji face
She text back like "boy how long you gon take" Ah
Hit the gas, pull up right in front of her place
Took her down quick boy I could tell you how she taste
She always in my ear talkin bout she need that
And my responses always "baby girl believe that"
Yeah, she throw it at me like a quarterback
I go Odell Beckham when I receive that

I know I'm not yours and you're not mine tho
See I'm tryna keep these feelings on the low but they gettin ha
rd to hide tho
Girl fuckin with both, girl imma need the high vote
I be tryna keep it low key
But every time I go deep baby get to hittin high notes

Look, I know you got a man baby he ain't me tho
That's why I got you shootin' shot and that's a free throw
She want Mastros, but get Roscoes on Pico
Then take her to the house and beat the pussy like I'm debo
Her nigga always tryna watch her like TiVo
He be all through her phone like he hit her with the rico
He want the bitch to check in like a P.O
And she still let a nigga go deep no T.O
I told her girl that's that drama
That boy there musta been raised by his momma
But she know that I got some good dick and commas
It's the type of paper that get rid of any problems

I know I'm not yours and you're not mine tho
See I'm tryna keep these feelings on the low but they gettin ha
rd to hide tho
Girl fuckin with both, girl imma need the high vote
I be tryna keep it low key
But every time I go deep baby get to hittin high notes
