As long as we got more to spend, man I swear we ain't worried bout nothing
Fuck that fetti off on a foreign car for to the floor-side gunning
Ain't got no chill, still need a mill even when I'm on a full stomach (yeah)
Ain't no question, nigga gotta bring that check in
Ben Frank my best friend, squad close like my next of kin
Bossed up my section, ice from right to my left limbs
Bodyguard this F-N, drip too hard when I'm steppin' in (woah)
