

# That Nigga

Skeme

Young S K E woah  
Most folks say he so  
G A N G S T A  
T T G O  
I won't cut cake these hoes  
Man I'd rather chase this dough  
Only suckers put pussy over paper  
Fuck y'all take me for?  
And before I eat steaks with fakes I throw a ski mask on my face  
Put my right shoulder to a front door and then run in and snatch me a safe  
Went and made a meal then I said my grace  
Then I cleaned everything on my plate  
Then I hit a bad bitch, I made her cum first  
Then I came fashionably late

Right, don't compare me with no rat niggas  
Came from the trenches, now look where we at nigga  
Been balling for a stretch, check the stats nigga  
I'mma fuck around and change my name to that nigga  
I'mma fuck around and change my name to that nigga  
I'mma fuck around and change my name to that nigga  
Been balling for a stretch, check the stats nigga  
I'mma fuck around and change my name to that nigga

Rari for the trash and a Rari for the luxury  
Bands for my mama's kids and bands for my children  
Come and make a deal like a motherfucking pickle  
I am so for real, sold half a million 'fore I killed you  
I'm after shawty, his bitch think that I am the bomb like a mo'fucking missile  
Catch me in traffic when you see me don't look suprizzled  
You don't want war we kill niggas, and go bout our day like it's nizzle  
I'm so official, might [?] Trey Songz the Trigga

Don't compare me with no rat niggas  
Came from the trenches, now look where we at nigga  
Been balling for a stretch, check the stats nigga  
I'mma fuck around and change my name to that nigga  
I'mma fuck around and change my name to that nigga  
I'mma fuck around and change my name to that nigga  
Been balling for a stretch, check the stats nigga  
I'mma fuck around and change my name to that nigga

Reviewing deals on my iPhone, you know paper be my priority  
But that paper don't sit over loyalty  
I follow G codes, ain't no ho in me  
I'm that nigga, that nigga that pull up with killers  
And knock on the haters that say they don't feel us  
Been triller, so triller, get skrilla for realer  
My bank account overstuffed, keep them shits filled up  
Overloaded, bloated, pockets overflowing  
Got to get this dough and blow it like I grow it  
Necklace heavy, glowing  
And I leave this show in gold grills, looking like I rep the Nolia  
I got too much drive to call a fucking chauffeur  
High as heaven, tryna parallel the rover  
In this beeper bitch we going [?]

You niggas out here be sweet as Russel Stovers

Don't compare me with no rat niggas  
Came from the trenches, now look where we at nigga  
Been balling for a stretch, check the stats nigga  
I'mma fuck around and change my name to that nigga  
I'mma fuck around and change my name to that nigga  
I'mma fuck around and change my name to that nigga  
Been balling for a stretch, check the stats nigga  
I'mma fuck around and change my name to that nigga
