

Behind Barz

Skengdo x AM

410

2Bunny

Big up all my peoples

Big up Link Up TV Behind Barz

Gang shit

It's the takeover

Bitch gave me blows at half past 8

Like 25 minutes before, I was in fields with mates

Hookers be giving the low

Don't make your business bait

Slip up straight that ain't wise

Rambo looking all bait

I know mum sent you shop

You might make it home today

This prick's looking all lost

Come we just check this weight

I swear he's throwing up Ks

Dududu bow in his face

Dududu bow in his face

Dududu dududu bow in his face

See I run through gyal and I run through blocks

Bro hit a sale that's 1-2 shots

Girl in the green never washed her box

So I sent her home with a 1-2 bop

Crash don't dance man you must be lost

Hammer on my waist so my jeans don't drop

Man should've put him in the coffin

Put him in the boot, in the bag, in the box

Bang for the goons and I bang for the block

Man buss that corn dadadat dududot

Skrr skrr dudu dudu

Buss that corn then I'm back to the block

Bang bang put your guns in the air

Man caught that yute and his friend disappeared

Je jure sur la tête du ma mere

Je jure sur la tête du ma mere

Crashers step, that's diligent thugs

Diligent who? Diligent where? You're just a diligent mug

Send for the Gs like no

Switched couple times are you dumb?

Shit den crazy mad up mad up

Bro bro splash up your lungs

Old school G got caught

How many times man slipping in cunch

Free Lil Twin that's bro

Free Peeler he's in love with the funds

I'm fucking dead I swear that's Ferb on the bus

Opps them chatty, ching like Maggie

Heard you want war with us

Wait...

I...

Want...

Noddy...

And...
She...
Wants...
Love...
Dumb bitch, dumb bitch
On your knees and suck, suck
Dudu dudu
Back away from the sirens
Can't believe that I'm hiding
Is it Ambulance or the Trident?
But it's two ped's and we're gliding
Hoody on or a hi-vis
Fuck a CRB, I need MOT cah that pussy there done mileage

Fat back and her face is cute, why do I beef these utes?
No tweeting, they already knew
Corn come fat like Skully Zone 2
Got the maddest love for the dude
No face, no face, won't see who's who
Blacked out, blacked out, blacker than who?
Blackz with the blade and he brucked it too
You know my - You know my dargs are active
Get man down won't blab it's sad ting
Creep on your block on gang shit
Violence, violence, you ain't about it
Likkle man please stop chatting
Must be tasting the food
They wanna run around and gossip

Cats in the bando doing up trap
But they get gassed when I'm doing up maths
They was like "Boss can you make 150 from 410"
I don't know about that
4 over 10 (4/10)
Times 410 (164)
Minus 4 (160)
Minus 10 (150)
Did it work?...
Try it again
All now I'm still CDX
CDX like the Romans
I'm the one with the potion
Back that make they boidem see omens
Cuff that girl you're covered in lotions
Urgh
She comes to me when she's roasting
It's just the life that I've chosen

Ay
Bunny squad
Yeah? Takeover
