

## Dirty 30

Skengdo x AM

Who made this? JB made this

No cleaning but we bring that broom  
The gun link guys on the g step through  
Man ain't fussy, won't pick and choose, saw him lose us so I will not lose  
Shoot the boy up, should've got 2, 3, 4, donny got few  
No video cah man's not you  
No backing out phones when we crash your crew  
The trap loves me and I love it too  
Not a day khakhi my shoes  
Yutes be acting like bitches, and, bitches acting like yutes  
Who really wants this issue, cah, I'm defo gon' rinse this dude

It's hella things that I live by  
Rap capping ain't one of them  
Thick screen on my government when I back it out and they buffer it  
No bare back I'm gloving it, God knows I'm loving it  
Bad ones, spin her 'bout, ain't sitting down she brucking it  
Dirty, dirty, that one looking all 30  
I won't be home by morning, same way I'm still certi, certi  
Got a brown one looking all curly  
Curly, curly  
And he knows that I'm doing it early  
Early, early

Skkrt, pull up, reverse, give me some brain  
I heard you a nerd I actually came from the dirt  
Work, work like Riri (Riri)  
Only baked beans no mini (mini)  
[?] on my life like Didi (Didi)  
Smoking pops, Kiki  
Kiri poo, girl, black boy making moves, girl (Yaaa)  
They can't do what I do if I pull up with the juice  
Sing what I do with my darrg Scooby Doo  
Let's go  
I'm high as a bitch  
I'm not even thinking straight, and I'm carrying a stick (yeah, yeah)  
Right now, man, I'm lit  
I'm drinking from the bottle we got bitches at the crib  
Stop posting guns on instagram  
We know that that shit ain't yours, we know all that shit a scam, yeah, yeah  
Do it for us, not for them, that's why every single one of us is sitting in  
a Benz, yeah, yeah

S K E N G D O, you done know who it is  
Gyal you taking a piss, I'm the only one you can think of taking a dick  
Let's come to the bits, let me bruck your back, break your spine, leave you  
in bits  
Don't tell your friends, I won't say a thing  
Tables turn, we live and learn, suttin's gotta get through  
Squad and crew are dilligent dudes, step on your block let's move  
Out of the way, dududu bow, with blood and drew  
Hella man way too chatty, don't wanna see me in the mood

They don't wanna see me in a mood, [?]  
One of their drop is selling food, [?]  
I stash that kilograms like [?]
