They ain't linking no shots
Nah, they ain't linking no shots
Young boy out with the botty
They ain't linking no shots
Nah, they ain't linking no shots
They ain't linking no shots
Nah, young boy with the botty

(Dududu dududu)

Too much things for the opps
My bros them taking shots
Crash with 2bunny or not
That's soft, that's soft, that's soft
Too much things for the opps
You don't know, go get some gwop
You don't ride, no heart get mopped
That's soft, that's soft, that's soft
(Dududu dududu)
Too much things for the opps
My bros them taking shots
Crash with 2bunny or not
That's soft, that's soft, that's soft
Too much things for the opps
You don't know, go get some gwop
You don't ride, no heart get mopped
That's soft, that's soft, that's soft

Ching-ching chong
Ching-chong
Remember that day so clear
So speedy, why you so washed?
Hit the boy up with the stainless steel, one mop
Young boy up in old
Chillin' with Rob
Up in your block with gang
Invade your ting, come and light one more
Any disrespect I see
15 inch goin' straight through your dons
Wrapped in the real life tings
I don't even know about these lying opps
And if everyone slaps corn
Why have none of my niggas been shot?
Must be missing
Nah my bro, they ain't linking no shots
Nah they ain't linking no shots
Young boy out with botty
They ain't linking no shots
Nah they ain't linking no shots

Too much things for the opps
My bros them taking shots
Crash with 2bunny or not
That's soft, that's soft, that's soft
Too much things for the opps
You don't know, go get some gwop
You don't ride, no heart get mopped
That's soft, that's soft, that's soft

(Dududu dududu)

Divide your gang when man cut through
'Cah you left your bro and you know that's rude
Two man on smoke and everyone knew
Don't talk about Blanks, nigga, own that wound
Diligent bop, man step and you know that's true
Minimal love, 'cause the thots them rude
She's dutty from me, I don't know about you
Everything crash, I don't know about you
Don't turn on your friend 'cah you know you're on bang
You wasn't on piss when you started your gang
Inside my heart, I need to bang
I bang and pull up and step on bang

(Dududu dududu)

Too much things for the opps
My bros them taking shots
Crash with 2bunny or not
That's soft, that's soft, that's soft
Too much things for the opps
You don't know, go get some gwop
You don't ride, no heart get mopped
That's soft, that's soft, that's soft
