

ADENUGA

Skepta

Everyday
Na fast fast something
Sharp sharp
Like 2 minutes
I'm balling like adenuga
Everyday I

Everyday I hustle for bread & butter
Man I be looking like a motherfucker
Magana magana
Double the rubbers
I'm balling like adenuga

Same shit different season
Orishirishi pattern
Omo the hustle dey show for you face
Mama say "are you doing okay?"

Everyday I hustle for bread & butter
Man I be looking like a motherfucker
Magana magana
Double the rubbers
I'm balling like adenuga

Same shit different season
Orishirishi pattern
Omo the hustle dey show for you face
Mama say "are you doing okay?"

Aye!
Na maka make am
Na my nigga knack am
If you bring your chenkez niggas fit to knack am
If she getty baka e don finish I promise I fold am like folder wey dey for t
he office
My rabba na baba
Dan Allah
The number one thing wey I need for my life na the bar
Ah (ah!), make the money no stop dey fall in sha

No be today we dey hustle the rabba
My money dey talk e no dey stammer
For our setting chikalas dey gather
Antiworld we don hammer
Yesterday
Na for gutter we dey
Like play like play
The tory don change ooo

Everyday I hustle for bread & butter
Man I be looking like a motherfucker
Magana magana
Double the rubbers
I'm balling like adenuga

Same shit different season
Orishirishi pattern

Omo the hustle dey show for you face
Mama say "are you doing okay?"

I'm flexing they know me
I'm hard in the streets
Shine like a diamond
I'm taking your bitch
Way too fly
I'm out of your reach
Loud and legend
Shagba is lit
Bagless convos
Ain't fucking with it
She rock diamond grillz
While she sucking my dick
Be calling your lawyer my shit is legit
Marktowndon
I still dey for the seat

Yeah!
Marktown don go dey rap
Like person wey dey dodge ikebe
Sitting pretty
Colombiana sneaky killing
The drip dey woo them
Igbo fittings

The flow we de give dem heavy drillings
Woto woto pattern... hating feelings
Same niggas wey been dey flex on us
Hone me your cap on a slavery rhythm

Bomboy (boy!)
Come to the bando
Give me the downlow (girl!)
Oh girl!
Pay me in back...
Shey your sex appealing
I been talk am for commend say I be jigolo
Odumo odumo easily easily
Ag free me free me
The melody melody
Hickery dickery

Everyday I hustle for bread & butter
Man I be looking like a motherfucker
Magana magana
Double the rubbers
I'm balling like adenuga

Same shit different season
Orishirishi pattern
Omo the hustle dey show for you face
Mama say "are you doing okay?"

Tough skin from all the fears that I had to face
Holes in my shoes from all the money that I had to chase
You're still on the block? then tie up your lace
You know that the police are vicious
Get shot cos you looking suspicious
Get your money keep minding your business
They wanna know wetin dey happen
Agaracha, I be getting money with my brothers

Makachukwu I got it, they got it, we don't talk about it, I say it, it's done
e

You know that we saving the fifties, giving the homies the twenties
Giving the kids the tenners
We're tipping the fives and spraying the ones (spraying the ones)
