

Badman in Tivoli

Skept

They think I don't know that these niggas are dissing me
Hating cause me and my brothers buss in the industry
Hating cause your baby mother buss my virginity
But they don't say nothing when they see me in the street
Niggas is bitches, they're showing their femininity
Fuck them pussies, I don't see them in my vicinity
Fuck the talking, just plug in the fucking auxiliary
I do this for hours nobody's matching me lyrically
I remember when nobody was feeling me
Sitting in Meridian playing Alien Trilogy
Still I had the ladies feeling my masculinity
Black Bill Clinton linking Monica and Hillary
First I use my tongue and then I put my D in the V
Sexing her to death she screaming "Junior, you're killing me!"
"Junior you're killing me!"
"Junior you're killing me! '
Then I started bussing like the Badman in Tivoli!

Badman in Tivoli!
Badman in Tivoli!

Started bussing like the badman in Tivoli!

Like the badman in Tivoli!

You might see me in South London buzzing in Ministry
Niggas both sides of me it's looking like symmetry
Generals behind me it's looking like military
Weapons in the car for man that wanna do it physically
Came here with my pride and I'm a leave with my dignity
See a couple pretty ladies watching me differently
She's undressing me with her eyes, she's stripping me
X-rated video I did it deliberately
These little newspapers thought they got rid of me
But I was in the Coliseum in Italy
Fresh shirt, iced out, Hickory Dickory
Pretty lookin' wife with a swag on infinity
His and her's Jordans looking like Kanye and Kimberley
Took her back to the room for some intimacy
She started licking me
She started licking me
Started bussin Like the badman in Tivoli - ay!

This is dedicated to the gangsters in Tivoli!
Dedicated to the killers in Tivoli!
