

Let me see hands up in the air
Gun fingers nice and high
And say go on then, go on then
What d'ya mean, what d'ya mean, what d'ya mean
Let me see hands up in the air
Gun fingers nice and high
And say go on then, go on then
What d'ya mean, what d'ya mean, what d'ya mean

I wanna make Ps like Diddy
So don't come around acting silly
'Cause when you see me draw for the 9 mili
I'll make a boy say "ho my diddy"
You get smoked like Philly
Think that you're big but you're just a likkle willy
I love magazines like Chantelle Fiddy
I'll don't [?] or [?]

Let me see hands up in the air
Gun fingers nice and high
And say go on then, go on then
What d'ya mean, what d'ya mean, what d'ya mean
Let me see hands up in the air
Gun fingers nice and high
And say go on then, go on then
What d'ya mean, what d'ya mean, what d'ya mean

Boy Better Know this, my name's Joseph
My name's Skepta, my name's Junior
See in school man I used to hit boys with a ruler
The English teacher tried make me hoover
But I'm a badboy from Nigeria
Not St. Lucia
Joseph Junior Adenuga
Big lips, African hooter

Let me see hands up in the air
Gun fingers nice and high
And say go on then, go on then
What d'ya mean, what d'ya mean, what d'ya mean
Let me see hands up in the air
Gun fingers nice and high
And say go on then, go on then
What d'ya mean, what d'ya mean, what d'ya mean
