Insomnia Interlude

Skepta

(Beatfreakz...)
(What's up, guys? You're here with Litty Britty
I got Chip, Skepta and Young Adz in the studio today
Their mixtape is out now
You guys are always putting in the work at the studio
But do you ever get any rest?)
(Nope!...)

How do I go to sleep? How do I go to sleep?
I got gun residue on me, I need to sauna, I need to go to OT
How do I get to sleep? How do I get to sleep?
Yeah, how do I make you smile? I already know how to make you cum

How do I remember these bars when I'm on all this weed? (My nigga, I'm leani
n')
How don't I remember your name, but I remember I beat? (Blame it on the Cali
)
How you got the perfect smile, but you just suck with no teeth?
Ayy, take a night nurse or cool and how am I supposed to sleep?

How can I fall asleep when I just took this LSD? (Trippy)
Now I can see things clear, and all I see is jealousy (Sexy)
I just mixed Don Julio with champagne and Hennessy (Lean)
Taking shots to the head like I was J. F. Kennedy (Yee)

How do I fall asleep when I just took some ecstasy?
I got MDMA, I'm with a young M-A and she in bed with me
How do I fall asleep when this hotline ends in a triple 3?
She want it in her arse and her mouth and her pussy, yeah, you know she a li
ttle freak

How can I fall asleep when we ain't even made three tracks today?
But I'm gonna fall asleep if I take this cup of LB or YA
How can I fall asleep? (Oh, how?) in the lab with these haunted beats (right
 now)
And my demons still haunting me (Right now) and the bitches still calling me

Yeah, huh, how can I fall asleep when I'm on this FaceTime with Nao— shh
She got them Victoria secrets that she's tryna show me (Sexy)
Told her I'm not a player, but I shoot my shot like I am Kobe (Swish)
Old ting calling my phone and I had to pass it to my brody

How do I fall asleep knowing SK fucking supermodels?
I got a pint of lean, four and half in the baby bottle
Bloodshot eyes, all my guys looking so China-mese
How could I sleep when I'm in David Lloyds with a three-eight-oh, oh?

How can I fall asleep when Skeppy and A just spilling the tea? (Spills)
Supermodel size zero, tapped it, but I ain't proud I beat (For real)
How can I fall asleep when some of my niggas still leaving in T? (How)
How can I fall asleep when I still ain't achieved like all of my dreams?

Greaze, how can I fall asleep when I got these racks I need to count? (Big r
acks)
Told the plug it's for me and he told me one-fifty an ounce (Low down)
Caught her taking pictures, told that girl that she needs to bounce (Bye)
I'm signed to my own label, think that I need about three accounts (Rich)

I'm rich

(A mad man will never look for a zebra crossing on the A406, greatness only)
