

## The Gallant Crow

Skepticism

Up there time is air  
Up there place is warmth  
Up there dustbridge; the throne  
Up there he is alone

Up there the light of no sun  
Dim is the glow  
Up there are the stars  
Far, far below  
Up there skies painted  
With glances; the touch  
Up there he is  
Proudly alone
