

Hmm-mm-mm-mm

Excuse me, my voice is a little raspy  
Yo bitch like it though, huh, huh, yuh!

5k, no 10k, what I made today (okay, okay)  
Bitch I'm from the South (drop top)  
Tell a nigga, bitch come run my fade  
Slash right through your crib, just like Chucky  
Bitch come out to play (bitch, come out)  
Bitch come out to play (bitch, come out)  
Bitch come out to play (ayy, ayy)  
5k, 10k, what I made today  
Bitch I'm from the South  
Tell a nigga, bitch come run my fade (water)  
Slash right through your crib, just like Chucky  
Bitch come out to play, yuh  
Bitch come out to play, yuh  
Bitch come out to play, ayy

Demolition on these bitches, I'm gon' break her walls  
I call myself Sharkboy, eat these niggas like its Jaws  
Pussy keep my foot up on they neck and hurt they jaw, uh  
Kingdom Hearts is what I are, my keyblade swing like arm  
Out of the darkness bitch, inside my heart and shit  
So then like a carcass in the wilderness you little bitch, or  
Maybe just heavy (heavy)  
Heard you that nigga  
Heard you just might be  
They say that my flow is scary, it's frightening  
Because it strike hard like some lightning  
I just might pick up the pieces just like I'm Poseidon  
Like bitches you ride it 'cause we never hide it  
And I know the prophecy just like the Mayans  
Bitch I know  
I know your girl everywhere  
She still get me excited  
I'm not like Al-Qaeda bitch more like a viking  
And in your bitch we could very get violent (bitch, stay off)
