

# XXL Freshman 2018 - Ski Mask The Slump God Freestyle

Ski Mask The Slump God

You and yo', you and yo'  
You and yo' bitch kinda resemble Billy and Mandy  
My bitch like Sandy  
'Cause of the cheeks  
Rode on my dick and said "It was so dandy"  
Yippee ki-yay  
I heard Freddie don't fuck with the feds  
Yellow bitches on me like Lemonhead  
Run up my sack like Ed and Edd and Eddy  
Red and black sweater like my name is Freddy  
Color spaghetti  
Eyes so messy, pico khaki  
Never lackin', keep that.30 in my jacket  
Look at the diamonds, they on hush mode  
'Cause I bought diamonds for they ex hoe  
It be so clear and so see through  
Like a nigga lookin' through the peephole, uh  
I just send them "XD rawr"  
When I be texting your whore  
Look at candy paint on car  
It's brown like the Noah's Ark  
Hit a stain like Mr. Clean  
And put a nigga on game like Atari  
Know how a nigga rockin' like guitar  
What I'm smoking smellin' like a fart  
Like Hercules, strong on these bitches, they back on knees  
Back in that bitch like, "What's happening?"  
Jump in that pussy like trampoline  
Made that pussy sound like mac and cheese  
When I hit it I'm just practicing  
They be like, "Ski, you be snapping"  
Teach me the ways of the saucin' king, hah
