

## Earth Invasion

Skillet

One man, one mission  
One plot to save the world  
Reclaim all races  
And embrace our destiny

Changing history when the colliding comes  
Where will you run  
Come with us if you want to live

Join us in the army that's arising  
The truth invades your mind  
Every day the Kingdom is advancing  
The earth invasion has just begun

Without a sound, without fear  
It attacks the heart and soul  
To rule all life and display His government

Join us in the army that's arising  
The truth invades your mind  
Every day the Kingdom is advancing  
The earth invasion has just begun  
Join us in the army that's arising  
The truth invades your mind  
Every day the Kingdom is advancing  
The earth invasion has just begun

The earth's frustration  
To be whole again  
We'll see a nation  
Living without sin

The earth invasion  
One man, one mission  
One plot to save the world

Join us in the army that's arising  
The truth invades your mind  
Every day the Kingdom is advancing  
The earth invasion has just begun
