Intro

Are you far? Am I left to die? Will you come to my rescue? He was pierced for our rebellion, and crushed for our sins My heart will burn for you He was beaten so we could be whole Keeping me alive My heart will burn for you He was whipped so we could be healed Keeping me alive All of us, like sheep, have strayed away. We have left God's path to follow our own. It's all I can do

Yet The Lord laid on him, the sins of us all
