## It's Not Me, It's You

Let's get the story straight You were a poison You flooded through my veins You left me broken You tried to make me think That the blame was all on me With the pain you put me through And now I know that it's not me it's you It's not me it's you Always has been you All the lies and stupid things you say and do It's you It's not me it's you All the lies and pain you put me through I know that it's not me it's you You You It's not me it's you, you So here we go again The same fight we're always in I don't care so why pretend Wake me when your lecture ends You tried to make me small Make me fall and it's all your fault With the pain you put me through And now I know that it's not me it's you It's not me it's you Always has been you All the lies and stupid things you say and do It's you It's not me it's you All the lies and pain you put me through I know that it's not me it's you Let's get the story straight You were a poison Flooding through my veins Driving me insane And now you're gone away I'm no longer choking From the pain you put me through And now I know that it's not me it's you It's not me it's you It's not me it's you Always has been you All the lies and stupid things you say and do It's you It's not me it's you All the lies and pain you put me through I know that it's not me it's you
