

Rise

Skillet

All I see is
Shattered pieces
I can't keep it hidden like a secret
I can't look away
From all this pain in a world we made

Everyday you need
A bulletproof vest
To save yourself from what you could never guess
Am I safe today?
When I step outside in the wars we wage

Our future's here and now
Here comes the countdown

Sound it off, this is the call
Rise in revolution
It's our time to change it all
Rise in revolution
Unite and fight to make a better life
Everybody one for all
Sound off, this is the call, tonight, we rise

Rise
Tonight, we rise
Rise
Tonight, we rise

Like a hand grenade
Thrown in a hurricane
Spinning in chaos
Trying to escape the flame
Yesterday is gone
Faster than the blast of a car bomb

And when the scars heal
The pain passes
As hope burns, we rise from the ashes
Darkness fades away
And a light shines on a brave new day

Our future's here and now
Here comes the countdown

Sound it off, this is the call
Rise in revolution
It's our time to change it all
Rise in revolution
Unite and fight to make a better life
Everybody one for all
Sound off, this is the call, tonight, we rise

Rise
Tonight, we rise
Rise
Tonight, we rise

In a world gone mad
In a place so sad
Sometimes it's crazy
To fight for what you believe
But you can't give up
If you wanna keep what you love
(Keep what you love)
(Keep what you love)
(Keep what you love)
(Keep what you love)
Never give up, no!

Rise
Rise in revolution
Rise
Rise in revolution

Everybody one for all
Sound off, this is the call

Rise
Like we're alive
Tonight, we rise
Make a better life
Tonight, we rise

Rise, rise, rise in revolution
Rise, rise, rise in revolution
Rise
