

## Stronger

Skillet

My skin is my disguise  
I'm more than a man  
I smile at my demise  
Ask who I am  
More than a man  
More than a man  
More than a man  
More than a man

My skin is my disguise  
I'm more than a man  
I was sent to rule on Earth  
Ask who I am  
I wreck, I wreck, I wreck  
I wreck with every prayer  
Ask who I am

R: Cause I'm stronger  
Than the devil  
Cause I'm stronger  
Than the devil  
Stronger  
Stronger

The fear tries to take me  
The flesh tries to pull  
Blackness all around me but I'm undefeatable  
My God is strong  
My God is strong  
My God is strong  
My God is strong  
All creation watches for Him to arrive
