

# The One

Skillet

Love me like no other  
You have been the Savior of my life  
You know my weakness  
But see me beautiful through Your eyes

R: And You're the One that I need  
The One who makes me complete  
And You're the One who is strong  
When I am crying and weak  
And You're the One that I love  
The One who never gives up  
And You're the One that I need  
You're the One, You're the One

Love me like no other  
You make it easy for my heart to believe  
And when I'm drowning  
You're on the way to rescue me

R:

I carry on without knowing how  
I've never needed how I'm needing now

You're the one

Love me like no other  
You're the one

R: (2x)
