

# 16CHOPPA

Skillibeng

E-E-Esyde chop off a head wid the choppa  
Sixteen choppa, long like Waka  
Portmore, run out again wid the bomber  
Head top splatter, boy face shutter  
Lysson, we nuh afraid a dem likkle man, yeah  
Cah we AK stronger and aim pon the one hand  
Head top buss off again like dragon  
Pussy face chaka, built in hammer (Yeah)

Mouth buss up, fire, chat too much  
We nuh tek program enuh, we nuh robot  
Shoot up yo stomach, boy skin a burn up  
When me say "Bloodclat boom", man a blow up  
Left a ends shelly, bore up a belly with the skelly  
Have the clip dem ready, head a buss like jelly  
Dead when when me press it  
Use di Beneli, me will use di Beneli  
Dem boy they nah wicked, dark and timid  
Esyde wid it, cold heart killy  
Gun shot drillin', blood start spillin'  
Grave, start diggin' (Yeah, yeah)

Me crime vehicle tank up  
Shoot up your face wid me 'matic right now  
Shoot up your face wid me 'matic right now  
Shoot up your face wid me 'matic right now  
Shoot couple face

E-E-Esyde chop off a head wid the choppa  
Sixteen choppa, long like Waka  
Portmore, run out again wid the bomber  
Head top splatter

Three, four, five choppas, six dead opps  
Seven hoes in the room and they all gobble-gobble  
Try to set me up, blocka-blocka-blocka  
Oh, I said seven? Add four more blockas  
Fifty more for the robbers, two for the drivers  
How many shots did you hear? Never said a whole lotta  
Big dog like Clifford, your bitch, I dig her  
The gun shoot fast 'cause it came with a switch, ah  
Get smoked like swisha, a J, no Jigga  
The gun to his head, watch his eyes get bigger  
Stripes like Tigger, or Tony the Tiger  
Put two holes in his neck, but I'm not a vampire

Run out a day in a sun ever ready fi devour skin wid da big gun  
Yeah, me ready fi go spray shot  
Now like shower, me gun full a power  
Yo nuh see dah drum, yeah  
Me ready fi go beat dat now like drummer  
Brand new K, you nuh see the color  
Bag a gun play, me nuh use current  
Boy head drain like in a gutter  
Left a ends shelly, bore up a belly with the skelly  
Have the clip dem ready, head a buss like jelly  
Dead when when me press it

Use di Beneli, me will use di Beneli
