

Coke (Part II)

Skillibeng

Ca-Caution Beats

Oh

Caution Beats

See me a say, Caution Beats

Run the street

Run the street like motorcade

Make the most money

Fuck the most gyal

Them pussy them no know money

Me four pocket stuff up

No me nose stuffy

Flying saucer, alien a roll up in

Big Glock fi shub in a your face

Make a sure duppy (Yeah)

Bowl up your face and bore up it

We have the most rifle in a the road bussin'

No disturb the road running

From you see me the Eastsyde soldier them

(From you see me the Eastsyde soldier them)

The plane just the crash with the coke again

(From you see me the Eastsyde soldier them)

The plane just the crash with the coke again (Caution Beats, oh)

Me no put it in a me nose (Me no put it in a me nose)

(Sell me sell it, like say me a have store)

(We have the plug, not the one weh charge phone)

Me no put it in a me nose (Me no put it in a me nose)

(Sell me sell it, like say me a have store)

(We have the plug)

Any show me will sell out

More ticket, more business

Follow me, more bitches

Every gyal a dig head like coke sniffing

No vex [?]

A the international face of dancehall

Most listened

Me set the most modern trend openly

Stay hotter than a ovening

Bring me gun and don't lef' it

When me say plane just crash with the coke

Weh you think me mean?

[?] up me flow them a drop a flight

Plane with the wing
