

Thee Most Power

Skillibeng

From me born me never 'fraid a boy
So me no 'fraid a boy now
Never scared, no
Never scared, no

East Syde have the most power
Bone broker gun with the scope a top
Zone runner, boy a fi know manners
Soul will rise, make boy know Jah Jah
The sixteen a no sword chopper
When the mini 'K out we a bore up a heart
Fling bullet them bold, we a cold shotta
You question me a court, me no know wha' gwan
No informing around here boy
Fasting around here
By morning him know grave
When the forty a bore face
We make the morning approach them like a motherfucking new year
'Mount a shot in a fool face
Clip ram like a crusade
East Syde make the shot gun give boy two face
Make shot travel like suitcase

Never scared
Never fear, no
Never fear, no
Never fear, no

We have couple six pants
Couple AR
Couple draco
Burn some gun game 'pon me PS5
With me gun 'pon me couch

Never fear, no
Never fear, no

Right now, if East Syde fi approach them a bawling
We a shot off your face with a Glock or Smith
Bam-bam and brain turn salami
Killing sweet
Winning streak
Like say me is a gun, dawg, me built fi it
Fi kill fi it
Boy can't evict we
Finish them, before them finish me (Yuh sih?)
Try no provoke me
Me have me gun and it load up
East Syde never run
Have me gun, me a run out this
Me know them boy there a punk
Only bad when them drunk
We born sick and there's no curing
Them have the badness a promote it
Them have duppy story
No news no talk 'bout it
We make boy mother fi bawl out fi him

Newspaper article, gwan go read
Make boy fall down like when a saw cut tree
Fall down deep (Yeah)
Six foot six, nah no feet
Yow, the AR-15 right deh so gorgeous teeth
Them have gun and them nah no teeth
Me dawg say a crocodile mouth you fi call your clip
Full a shot like [?]
Boy a fi dead from me talk, could a born lucky

East Syde have the most power
Bone broker gun with the scope a top
Zone runner, boy a fi know manners
Soul will rise, make boy know Jah Jah
