**Skillibeng**

Yuh know Skillibeng

Sometimes as yuh mother, mi wan' stay inna mi place and mek yuh do yuh thing  
Cah mi already know seh yuh can do it pon yuh own and yuh affi tek yuh time  
Wul heap ah people badmind yuh cah dem see yuh greatness  
Yuh probably not even see it, dem see it, dem fear it

Song ah blast like torpedo

Mi flow dem ah soar like magneato

Suh mi nuh watch people

Galipulate evil by doing good

I'm here for ah reason

Possessions and vehicles can all fade away, so the weed too

And sometimes, tings last longer than ah heart

Mek hay while di sun shine and breeze blow

Ready

Yuh sih

Ever ready

Do it quite legendary

Suh mi voice never perish

Mi never pathetic

Mi nuh nowhere lef' it

Big Philipenes, mi nuh ready fimi spot ah heaven

First mi haffi score like Balotelli

Flow dem ah chop aggressive

Get dah stock yah heavy

Yuh sih

EastSyde

Song ah blast like torpedo

Mi flow dem ah soar like magneato

Suh mi nuh watch people

Galipulate evil by doing good

I'm here for ah reason

Possessions and vehicles can all fade away, so the weed too

And sometimes, tings last longer than ah heart

Mek hay while di sun shine and breeze blow

That's why mi rhyme suh prolific

Line dem suh vivid

Blind see di image

Mi find out mi have ah voice wid ah privilege

Suh mi mek mi mother smile when she see mi

First mi haffi score like Balotelli

So yuh haffi keep yuhself clean at all time and pray  
Yuh understand?  
More time yuh haffi put down di weed and go pon some different medz  
Some clear head medz, suh yh can see clear
