

All Men Die

Skiltron

If you are one of those people
Who can't find your own ambition
You should know to steal from me
Will only make you worse

Yeah i have my own convictions
And will not change my position
With the freedom and the spirit
To achieve my dreams

It's in my blood, in my veins
In my heart in my head
In my soul in my dreams
I'm the one who takes the reins!

Not every man truly lives
But all men die to be judged
For the deeds they have done
Have you left your mark on mankind?

Not every man truly lives
But all men die to be judged
For the deeds they have done
Have you left your mark?

Not every man truly lives
But all men die to be judged
For the deeds they have done
Have you left your mark on mankind?
