

## Lion Rampant

Skiltron

Brave, strong, bold and wild  
Roaring loud his battle cry  
Red lion ready to crush  
Thirsty for enemies' blood

Flying the flag of The Lion Rampant  
Carried to war - Eager to fight  
Standing our ground where we'll live and you'll die  
Leading the army - The Lion Rampant

Unwilling to agree the terms  
Uncaring for the banner of truce  
Our fury is wildly unleashed  
We aren't here to sue for peace

The thistle is blooming to the open sky  
Bagging Ben Nevis then heading to Fife  
The truth is in the one who has  
The real passion of the Highland Clans

Flying the flag of The Lion Rampant  
Carried to war - Eager to fight  
Standing our ground where we'll live and you'll die  
Leading the army - The Lion Rampant
