

## Sawney Bean Clan

Skiltron

Prepare yourself for what is next  
For you will hear a grisly tale  
I'll tell you about a man of sin  
Whose lifestyle was horrifying

Under the reign of James I  
Swaney and his wife left the town  
They found a cave in Galloway  
Where they began something vile  
Their own way to survive

Sawney Bean sought his own salvation  
Sawney Bean clan was God's creation  
Sating a wicked vice with the flesh of man  
Sawney Bean turned your dreams to nightmares  
Now you're part of his desire  
Celebrate a daily feast with the blood of Christ

25 years of darkness and dank  
While continuing to enlarge their clan  
To rob and murder any passerby  
And eat their bodies in a sacred mass

One fateful night a group of men  
Just by chance, ran into them  
And so it was the truth was known  
All his clan were taken to the town  
And executed 'fore a baying crowd

Sawney Bean sought his own salvation  
Sawney Bean clan was God's creation  
Sating a wicked vice with the flesh of man  
Sawney Bean turned your dreams to nightmares  
Now you're part of his desire  
Celebrate a daily feast with the blood of Christ

Sawney Bean clan is still alive  
Coming for you this very night

Sawney Bean sought his own salvation  
Sawney Bean clan was God's creation  
Sating a wicked vice with the flesh of man  
Sawney Bean turned your dreams to nightmares  
Now you're part of his desire  
Celebrate a daily feast with the blood of Christ

Coming for you this very night
