

Hello?

What?
Naw, I'm just playing
Umm

Naw I'm just watching all these music videos and shit man
What if I, what if I was rapping about the same shit they rapping about?

Making my way through the hood sippin' this Yak
Niggas bout to get blown with a mac
Pla-ket-ket-ket-ket
A pla-ket-ket-ket-ket
Riding around the block with a Glock
Your ass finna get shot
Pew pew pew pew pew pew - that's the silencer
Boom boom boom boom boom boom - that's the grenade launchers

Pla-ket-ket-ket-ket-ket-ket - I'm finna kill you
Pla-ket-ket-ket-ket-ket-ket - I'm finna drill you
Pla-ket-ket-ket-ket-ket-ket - And now you bleeding

If pla-ket-ket - that pla-ket-ket
When I shoot you in your neck
The noise go pla-ket-ket-ket
And you know I will shoot you in your eye
Just so I can hear the pla-ket
Pla-ket-ket-ket-ket-ket
Pla-ket-ket-ket-ket-ket
