

# Last Chance

Skindred

Last night I had the strangest dream that I  
Was getting away with murder  
Try to keep it between you and me no I  
Won't let it go any further

Is it my time coming, tell me, how will I know?  
It's got me thinking, how far can I go? Am I  
Still dreaming, yes I'm believing  
Gotta keep moving while my heart's still beating  
(A-one, a-two) Heart's still beating  
(A-one, a-two) Heart's still beating  
(A-one, a-two) Heart's still beating  
(A-one, two) (A-one, two)

This is my last chance (Ooh-ooh, ooh)  
I won't make no song and dance (Ooh-ooh, ooh)  
I don't wanna do it over again (Again)  
You know that I would do it the same  
This is my last chance (Ooh-ooh, ooh)  
I won't make no song and dance (Ooh-ooh, ooh)  
I don't wanna do it over again (Again)  
You know that I would do it the same  
Oh yes I would

(Let's go, let's go)  
(Let's go, let's go)

I tried to use up all nine lives  
No I couldn't try any harder  
Took a long walk off a short, short pier  
No I couldn't get any farther

Is it my time coming, tell me, how will I know?  
It's got me thinking, how far can I go? Am I  
Still dreaming, yes I'm believing  
Gotta keep moving while my heart's still beating  
(A-one, a-two) Heart's still beating  
(A-one, a-two) Heart's still beating  
(A-one, a-two) Heart's still beating  
(A-one, two) (A-one, two)

This is my last chance (Ooh-ooh, ooh)  
I won't make no song and dance (Ooh-ooh, ooh)  
I don't wanna do it over again (Again)  
You know that I would do it the same  
This is my last chance (Ooh-ooh, ooh)  
I won't make no song and dance (Ooh-ooh, ooh)  
I don't wanna do it over again (Again)  
You know that I would do it the same  
Oh yes I would

Yeah, this is my victory speech, I don't discuss defeat  
With every kicks that hit my heart skips a beat  
I play the circle of life, you play it on repeat  
With my words set in canvas you gon' stay on your fucking feet  
The modern-day was the past [?] symmetry  
'Cause they talk 'bout taking a stand and don't get out their seat

This is the Silence of the Lambs, I do not follow sheep  
[?] till somebody's turning up the heat  
Turn down the noise, yo I'm sick of that  
What happened to your door? UPS can't deliver that  
Made of stronger metal, my nigga, this isn't Nickelback  
So let's just skip the song and dance, this is my last chance

(A-one, a-two) Heart's still beating  
(A-one, a-two) Heart's still beating  
(A-one, a-two) Heart's still beating  
(A-one, two) (A-one)

This is my last chance (Ooh-ooh, ooh)  
I won't make no song and dance (Ooh-ooh, ooh)  
I don't wanna do it over again (Again)  
You know that I would do it the same  
This is my last chance (Ooh-ooh, ooh)  
I won't make no song and dance (Ooh-ooh, ooh)  
I don't wanna do it over again (Again)  
You know that I would do it the same

This is my last chance (Ooh-ooh, ooh)  
I won't make no song and dance (Ooh-ooh, ooh)  
I don't wanna do it over again (Again)  
You know that I would do it the same, the same  
You know that I would do it the same  
Oh yes I would
