

Set It Off

Skindred

We in ah heavy weight style and we kick it
Know we inner de zone and we mash it
And we go home and we make the room tear down
That's what de dred come fe do u-u-u

I know the people understanda
When they see the dredder
With the mic in ah me hand, hand, hand
We make the vibe just coola
When you see we rocking heavy weight
We got the fuel, fuel, fuel
Yer you know we tear it upa
Coming with the action
Yer you know we're on top, top, top
Yer you know we're like a bomba
Ready to go off
We got the ammunition, tion, tion

Yer you know that it's on
DJ rocks the place from dust till dawn anana
Co you know that it's on
We tears it up from dusk till dawna

Kill them with the rhythm
Coz we come to set it off
Set it off
Yah know say we come to set it off
Set it off
Yah know say we come to set it off
Set it off
You know that we come to set it off
Set it off
You know that we come to set it off
Set it off
You know say we come to set it off ana

Now you thinking you what we want in ah der place
Now its up to you to move your body to the base, base, base
We're hitting hard and coming stronga
As you're jumping around you coulder never do no wrong, wrong, wrong
Set up the sound and make it rocka
Coming with the power musically can't stop, stop, stop
We no want no negative in ah der place
Stepping up a gear we got the bass you can taste
Come follow me one and two an

Yer you know that it's on
DJ rocks the place from dust till dawn anana
Co you know that it's on
We tears it up from dusk till dawna

Kill them with the rhythm
Coz we come to set it off
Set it off
Yah know say we come to set it off
Set it off
Yah know say we come to set it off

Set it off
You know that we come to set it off
Set it off
You know that we come to set it off
Set it off
You know say we come to set it off ana

You know the people dem ah rock and everything is just fine
We no need no violence
We no need no crime
And if you deal with that dem dial 999
Babylon will beat you up
And put you back in to line
Rude boy its you I man talking to
Yer man

Yer you know that it's on
DJ rocks the place from dust till dawn anner
Co you know that it's on
We tears it up from dusk till dawn

Yer you know that it's on
DJ rocks the place from dust till dawn anana
Co you know that it's on
We tears it up from dusk till dawna

Kill them with the rhythm
Coz we come to set it off
Set it off
Yah know say we come to set it off
Set it off
Yah know say we come to set it off
Set it off
You know that we come to set it off
Set it off
You know that we come to set it off
Set it off Ginger Ford him in ah A1 Class
Set it off Danite Pea him in ah A1 Class
Set it off Benji Singer in ah A1 Class
Set it off Jeff Rose him in ah A1 Class
Kill them with the rhythm coz we come to set it off.
