

# Colour Me Gold

**Skinny Living**

Tears just don't fall like they fall  
When they fall for you  
It's hard to make sense of it all  
With a mind so bruised

I'm called a fool for your lies  
I waste my time on you  
But they just don't know  
What it's like to call you mine

Colour me gold  
Then bleed me to stone  
You leave me alone  
Then you bring me all I want

Your just a boy in a man living day by day  
Hope I'm a part of his plans and the girl to stay

But I need more from ya now  
I need love and time from ya  
When will you figure it out  
It's not enough

To colour me gold  
Then bleed me to stone  
You leave me alone  
Then you bring me all I want

Colour me gold  
I know your not faking it's love that we make when ya  
Colour me gold  
Don't leave me wanting do it more often

Colour me gold  
Then bleed me to stone  
You leave me alone  
Then you bring me all I want

Colour me gold  
Then bleed me to stone  
You leave me alone  
Then you bring me all I want
