Tarnish away Tarnish

Simple test at best
All is nothing less
Run for more
I can't decide
Love in the grass
All is nothing less
Rather
You look me in the eye
Your face creeping in
Your caring thankless grin
Immobilize the second sin
Create the mood that's dark and grim

???

How I depart Mood altered Paradise is lost Maskover No one left in dark Hide the trap Caution Deadline remark ??? Burns your skin Known so long Feels like the next of kin ??? How I depart Deadline Deadline remark

Rose hip

A shallow kiss chauvinistic go look inside Whilst in the back a gold to lead to resurrect whats Left to die
