

attached in awe what a whiplash hate filled culture of
viruses born raised and infected with violent thought
to set it off defend the wrong incite the thing to
bring it down the panic of in a moments time bomb the
artful dodge to fabricate a polarizing opposite
political intention to keep it poor without a choice
so full of fear a peoples voice carve a scar warm
clotting of meat the maker of the hollow cost kept
pockets picked of all moral law to face the truth were
banished from a history of then is wrong defend the
wrong incite the thing to bring it down
