

give it up today average levitation mojo no magic  
dedicated delusion give it all away oh yeah mother  
theresa all of it for the good of everyone never  
really ever really happens life is all distorted  
reasons are purported what we share with everyone  
nothing every little boy and girl is under everything  
is wrapped up tight underneath the spell what is  
discovered everything is wrapped up tight every little  
thing that is discovered did it ever really happen
