

dark this heavy past tension over talking ever creepy
creep me out quiet soft pitch scratchy throat sore
bubble crass the eye balls of token alibis say digger
dig me then throw it out in time to gain all the
picture water sport aim the game to get no shot rich
vine land party spot all them kids so fucked up as if
the problem looks alive with each virtual compromise
dead head auction auction muscle every thing that
lives feeding egos radius dark this matter heavy past
tension over talking trash public public pimp the name
divine the only pissing game working on to undermine
only one to one two blind hooking up its wired set the
bomb depress the audience looker woofers hookah smoke
breathe in feed on spit it out inner vision inside
dope latest software antidote creepy creepy creep me
out quiet soft pitch scratchy throat cross the bubble
crass the eye dark this heavy past tension over
talking
