

## Be Ready When He Comes

Skip James

Be ready when He comes, be ready when He comes  
Be ready when He come, oh Lord  
He's coming again so soon

Jesus is coming to this world again  
Coming to judge the hearts of men  
Don't let him catch your heart filled with sin  
He's coming again so soon

Be ready when He comes, be ready when He comes  
Be ready when He come, oh Lord  
He's coming again so soon  
Be ready when He comes, be ready when He comes  
Be ready when He come, oh Lord  
He's coming again so soon

Don't let him catch you like He done before  
Skippin' and dancin' on the barroom floor  
Raisin' up stirment everywhere you go  
He's coming again so soon

Be ready when He comes, be ready when He comes  
Be ready when He come, oh Lord  
He's coming again so soon

Don't you let him catch you like He done before  
Skippin' and dancin' on the barroom floor  
A-raisin' up stirment everywhere you go  
He's coming again so soon  
Be ready when He comes, be ready when He comes  
Be ready when He come, oh Lord  
He's coming again so soon

Jesus is coming to this world again  
Coming to judge the hearts of men  
Don't let him catch your heart filled with sin  
'Cause He's coming again so soon

Be ready when He comes, be ready when He comes  
Be ready when He come, oh Lord  
He's coming again so soon

Be ready when He comes, be ready when He comes  
Said, be ready when He come, oh Lord  
He's coming again so soon
