Skip Marley

3am on a late night
All alone in my bed
Reminiscing what it felt like (feels like)
Of our bodies dancing in the moonlight

Girl your beauty is like no other
Brown skin hot like the summer
Reminiscing what it felt like
Of our bodies dancing in the moonlight

Girl when we touch
I feel your desire
Day through the night
You light my fire

I just wanna be close to you
Mi do all the things you want me to
I just wanna be close to you
And show you the way I feel

I just, I just, I just, I just
Wanna be close to you all night, wanna stay close to you, yeahh yea

I just, I just, I just, I just
Wanna be close to you all night, wanna stay close to you, yeahh yea

Spin it round
I, I never waste no time
The way you run it back
Make me know (seh) that you falling

Long as I keep feelin' your love
Lemme know you inside
Lemme get all in
Oooo
Big ups to Jah for da stars
Leading me right where you are
Think it's a destiny thing, yo

Girl when we touch
I feel your desire
Day through the night
You light my fire

I just wanna be close to you
Mi do all the things you want me to
I just wanna be close to you
And show you the way I feel

I just, I just
Can't help
Wanna be close to you all day, wanna stay close to you, yeahh yea

I just, I just
Can't help
Wanna be close to you all night, wanna stay close to you, yeahh yea

I just want you to stay close to me
Some company

I just wanna be close to you
Mi do all the things you want me to
I just wanna be close to you
And show you the way I feel

I just, I just
Can't help
Wanna be close to you all day, wanna stay close to you, yeahh yea

I just, I just
Can't help
Wanna be close to you all night, wanna stay close to you, yeahh yea
