

## Get Papers

[Skip The Use](#)

Got up, girl, for all the cash machine  
Get ready, it's new behind the scene  
And I've the pleasure to tell you, baby, you're dealing with the best  
Would you get up, get up, get up now?  
Get papers, papers, papers, papers, now

Where's that money ticket, babe? (You got it?)  
Oh, I can stick it anywhere  
I don't wanna get down  
There's messes all around  
Would you get up, get up, get up now?  
Get papers, papers, papers, papers, woo

Won't you get up, girl, and get down  
Won't you get up, girl, and get down  
Won't you get up, girl, and get down  
Whoa, woo  
Get up, girl, and get down  
Won't you get up, girl, and get down  
Won't you get up, girl, and get down  
Whoa, woo
