Oh, it's nice, 'cause still I feel fine
Inside my body I'm blading as it gone
Oh, it's nice, 'cause still I feel fine
Inside my body I'm blading as it gone

I wanna be the best
I wanna prove you wrong
I can be something gold
I wanna turn back the time

I wanna fall in love
To loose everything I am
No, I can't raise above
Just to make you proud

Oh, it's nice, 'cause still I feel fine
Inside my body I'm blading as it gone
Oh, it's nice, 'cause still I feel fine
Inside my body I'm blading as it gone
(That's right)

It's true, I wanna it know
'Cause I'm sick of it, all
I wanna change the world
And die when I'm old

I don't wanna make mistakes
'Cause it's easy to do
I wanna be somebody else
And tell you: go fuck yourself, uh

Oh, it's nice, 'cause still I feel fine
Inside my body I'm blading as it gone
Oh, it's nice, 'cause still I feel fine
Inside my body I'm blading as it gone

I wanna fall in love...
(I wanna fall in love...)
To loose everything I am...
(To loose everything I am...)
No, I can't raise above...
(I can't raise above...)
Just to make you proud
(I'm blading as it gone)

I wanna fall in love
(I'm blading as it gone)
To loose everything I am
(I'm blading as it gone)
No, I can't raise above
(I'm blading as it gone)
Just to make you proud, make you proud!

Oh, it's nice, 'cause still I feel fine
Inside my body I'm blading as it gone
Oh, it's nice, 'cause still I feel fine
Inside my body I'm blading as it gone

Oh, it's nice, 'cause still I feel fine
Inside my body I'm blading as it gone
Oh, it's nice, 'cause still I feel fine
Inside my body I'm blading as it gone
