

Make It Bad

[Skip The Use](#)

Shake it babe and get into it
'Cause I can make it bad, baby give it to me
'Cause I see, oh, baby you kiss your body on the beat
Oh, keep it fancy babe

And I say
Hey, girl what you're looking for
Yes I make, yes I make, yes I make it real to love you more
Hey, girl what you're dying for
Yes I make, yes I make, yes I make it real my heaven's door

You got my head, got my face
Hey girl, let's do something great
The vibe is wrong but the groove is good
Let's keep it real, let's keep it true
Damn it, I don't wanna look back
'Cause you're gonna be my best hack
Call me devil, I'm not the sweet guy
Shake that ass to kill gravity

No stress, no fear
Hey girls, you're riding with the homies
I'm flick, you're dressed to impress
And the bitches copy and paste
No blah blah blah who's the pretty
Imma best to hang to party
Riding with the homies
In the best place to be

And I say
Hey, girl what you're looking for
Yes I make, yes I make, yes I make it real to love you more
Hey, girl what you're dying for
Yes I make, yes I make, yes I make it real my heaven's door

This is what I got, this is what I got
Nothing's better now, ooh ooh
This is what I got, this is what I got
Nothing's better now, ooh ooh

Hey, girl what you're looking for
Yes I make it real to love you more
Hey, girl what you're dying for
Yes I make it real as my heaven's door

And I say
Hey, girl what you're looking for
Yes I make, yes I make, yes I make it real to love you more
Hey, girl what you're dying for
Yes I make, yes I make, yes I make it real my heaven's door

This is what I got, this is what I got
Nothing's better now, ooh ooh
This is what I got, this is what I got
Nothing's better now, ooh ooh
This is what I got, this is what I got
Nothing's better now, ooh ooh

This is what I got, this is what I got
Nothing's better now, ooh ooh
