

People In The Shadow

Skip The Use

Winding roads are the most beautiful
sun goes down and the sweat swimming up
my only true rock city
welcome to my road movie
so cool to be so trashy
my only true rock city
cause going so crazy
step in to my rock city
harder, harder that's how this night must be.

I want to know you: people in the shadow
I want to know you: people in the shadow

I want to know ! Are you ready to go?
I want to know ! Why God is a liar?
I want to know : people in the shadow !
I want to know ! Are you ready to go?
I want to know ! Why God is a liar?
I want to know : people in the shadow !

Got a bad feeling in my gut
Aaah, it's all a fuck of lights and deception
my only true rock city
welcome to my road movie
so cool to be so trashy
my only true rock city
that's going so crazy
step in to my rock city
harder, harder that's how this night must be.

I want to know you: people in the shadow
I want to know you: people in the shadow

I want to know ! Are you ready to go?
I want to know ! Why God is a liar?
I want to know : people in the shadow !
I want to know ! Are you ready to go?
I want to know ! Why God is a liar?
I want to know : people in the shadow !
