

# Unbreakable

Skip The Use

They wanted to cut me down  
They wanna disparage my work  
They wanted to cut me down  
Not to make them shade  
Hate runs in my veins

And I will always remain the same one animal  
The same one  
But I'm unbreakable  
I'm unbreakable  
I've decided to stop this pain  
I'm unbreakable

Inside my head  
I'm unbreakable  
I've decided to cut my nerves  
I'm unbreakable deep inside my veins

They wanted to cut me down  
Africa's anchored in my brain  
They wanted to cut me down  
With their money for only name  
Hate runs in my veins

And I will always remain the same one animal  
The same one  
But I'm unbreakable  
I'm unbreakable  
I've decided to stop this pain  
I'm unbreakable inside my head  
I'm unbreakable  
I've decided to cut my nerves  
I'm unbreakable

I'm unbreakable  
I'm unbreakable  
I've decided to stop this pain  
I'm unbreakable  
I've decided to stop this pain  
I'm unbreakable  
I've decided to cut my nerves  
I'm unbreakable deep inside my veins
