

Ghosts

sKitz Kraven

I see ghosts
What
What
What
I see ghosts
I see ghosts
What
What
What
I see ghosts
I see ghosts
What
What
What
I see ghosts
I see ghosts
What
What
What
I see ghosts
Why's it so damn dark in here
I can't see
Why's his whole damn heart in here
I can't breathe
Maybe you should come a little closer
So you see
Maybe you should grab a crucifix
And call the priest

Presence
Eerie
Voices coming near me
Talkin back like Siri
Can't tell them apart
I just turn off the lights
To keep the thoughts away
I just live in the dark
Is it just night or day
Ooooooooo
Ooooooooo
Ooooooooo
Ooooooooo

I see ghosts
What
What
What
I see ghosts
I see ghosts
What
What
What
I see ghosts
I see ghosts
What

I see ghosts
I see ghosts

I see ghosts
Why's it so damn dark in here
I can't see
Why's his whole damn heart in here
I can't breathe
Maybe you should come a little closer
So you see
Maybe you should grab a crucifix
And call the priest

It's fucking dark
All see is hearts
Drink until I barf
I'm pushing carts
Full of body parts
Tortured from the start
Hearing entities
Voices sound exactly like
My enemies
Its ten to three
They haunt
I plead
I'm begging down on bended knee
Can't let 'em
Born again
I dead em
Walk up to the phantom
I behead em
Drinking poison flat
My hearts black like venom
Blood on denim
Poltergeist real life
But I will not befriend em
Lies they spread em
Hearing them for years
But I ain't ever met em
What?
Oooooooooo
Oooooooooo
Oooooooooo
Oooooooooo

I see ghosts
What
What
What
I see ghosts
I see ghosts

I see ghosts
I see ghosts
