

Go Hard

sKitz Kraven

Pull off in my car
Watch me zip
I control my bitch
She on my hip
I could pull your bitch
She on my dick
I ain't seen a mic I haven't ripped

I go hard
I go hard
I go hard
Oouu I go so hard

I go hard
I go hard
I go hard
Oouu I go so hard

Hop up out my bed
In designer
Pump you full of lead
Turn your head to lasagna
Better luck mañana
Can't you see I'm busy counting commas
Suited up I'm feeling like Obama
I'll eat you like I'm Dahmer

I know you hate to see me
When I go hard
Cooking up the dope
I work my wrist just like I'm Mozart
You rappers got a slow start
I love breaking these hoes hearts
All you rappers boring
Treat my foreign like a GoCart

White on white teeth got me cheesing
The Molly got me geeked
It's Marijuana smoke I'm breathing
I'll kill you for no reason
If you go against me then it's treason
I can make it snow
You know that sKitz controls the seasons

I be high as hell
Stressing out smoke a spliff
She think she the shit
Until my dick in her ribs
She just wanna party
I said bitch you got kids
She said I know
But you is sKitz
I'm never passing up this
I'm gone

Pull off in my car
Watch me zip

I control my bitch
She on my hip
I could pull your bitch
She on my dick
I ain't seen a mic I haven't ripped

I go hard
I go hard
I go hard
Oouu I go so hard

I go hard
I go hard
I go hard
Oouu I go so hard

I met my plug in the Bahamas
With my feet in the sand
I sent my bitch to pick him up
Just so that she could get tan
They say I'm gonna be the best
I say no shit that's my plan
My latest dope be so damn potent
Junkies say I'm the man

I took a break from arm and hammer
I'm avoiding the slammer
I met this bitch from Alabama
She said her name was Tamira
She said she don't like suckin dick
I said lil bitch where's your manners
So I just sat right on her face
Said eat my nuts like some planters

She got a body like Serena
But her lips Angelina
She like a beast when poppin pussy
She my sexy hyena
They know I'm cocky
With this rappin shit
Come check my demeanor
I'm drinkin codeine like its water
Call that shit Aqualeana

I don't not love these hoes
I do not cuff these hose
All I want from these lil bitches
Is to rub my toes

I don't not love these hoes
I do not cuff these hose
All I want from these lil bitches
Is to rub my toes
I'm gone

Pull off in my car
Watch me zip
I control my bitch
She on my hip
I could pull your bitch
She on my dick
I ain't seen a mic I haven't ripped

I go hard
I go hard
I go hard
Ouu I go so hard

I go hard
I go hard
I go hard
Ouu I go so hard
