

Private Party

sKitz Kraven

Baby can I get inside
Your private party
Can I fuck you
Right inside the Maserati
Baby tell me
Are you feeling kind of naughty
If you're feeling kind of naughty
Shawty go right ahead
Shawty I just wanna
Get inside your business
Tell your friends that they can watch
And be a witness
I'm a fuck you like it's the last day we living
If you're feeling naughty
Shawty go right ahead

My heart skipping
Like I just took an Aderrall
She tryna show me new things
But I told her I done had it all
I'm a freak baby
I'm too wild
I'm like an animal
I'm eating pussy at the dinner table
Like I'm Hannibal
Lector
Need a lecture
I'm a teach you like professor
She profess her love for me
I tell her leave it on the dresser
I impress her with my money
But I bless her with my presence
Every time I come around the block
She know to start undressing
I just need to know
Are you down to roll
I just need to know
Are you down fasho
Get up in my whip
And we can go
Go somewhere nobody knows
You got it

Baby can I get inside
Your private party
Can I fuck you
Right inside the Maserati
Baby tell me
Are you feeling kind of naughty
If you're feeling kind of naughty
Shawty go right ahead
Shawty I just wanna
Get inside your business
Tell your friends that they can watch
And be a witness
I'm a fuck you like it's the last day we living
If you're feeling naughty

Shawty go right ahead

I love the way you look
When you're in my bed
Could have another
But I want you instead
Cuz you be doing things
Nobody do
Forget the crew
Cuz tonight
We touching privates
Nothing private
Bout this private party
I'll get you higher
I'm the owner
You're my private pet
I'll make you
Face down
With your ass up
While I put that dick in motion
We go two rounds
No fast fuck
I'm a keep that pussy open
Got you screaming in the pillow
While I nibble on your neck
I flex that muscle in your pussy
Make it pulsate till you sweat
I'll only pull out when you tell me
Then I'm bussin on your chest
Fuck fest
Touching privates
Nothing private but the jet

Baby can I get inside
Your private party
Can I fuck you
Right inside the Maserati
Baby tell me
Are you feeling kind of naughty
If you're feeling kind of naughty
Shawty go right ahead
Shawty I just wanna
Get inside your business
Tell your friends that they can watch
And be a witness
I'm a fuck you like it's the last day we living
If you're feeling naughty
Shawty go right ahead
