

Slutty Problems

sKitz Kraven

I got slutty problems
I got problems
These hoes all wanna fuck me
That's my problem
These girls be tryna cuff me
That's a problem
I wanna hit like rugby
That's no problem

I be counting up
I be counting up
Henny got me stuck
Henny got me

I just need to know girl
Are you free tonight
I might wanna fuck ya
If it's feeling right

I'm addict let me start with that
I need the cat
Bad bitch with dimples on her back
Girl it's a wrap
I'm thinking bout it while I flip a sack
All the time
While I'm trapping
That's what's on my mind

I got a girlfriend but she be sitting home alone
I'm in the trap
Staring at you
While I'm on the phone
That body grown
Your too tone to be here all alone
Girl I'm a dog for the pussy
I just need a bone

Girl your body on my mind
Once I re up we need a find us
A little spot we can dine
We can lay up and just unwind
After dining we'll hit the hotel
I'm licking your body so well
You say that you're down to fuck
But you got you a man at home
Oh well

I got slutty problems
I got problems
These hoes all wanna fuck me
That's my problem
These girls be tryna cuff me
That's a problem
I wanna hit like rugby
That's no problem

I be counting up

I be counting up
Henny got me stuck
Henny got me

I just need to know girl
Are you free tonight
I might wanna fuck ya
If it's feeling right

Girl we can keep it going
Till the end of time
We fuck throughout the night
And then just press rewind
It's hard to keep just one
When they all looking fine
It's hard to be this faithful
Man I'm sick of trying

Addicted to the pussy
No rookie
I ain't got no shame
I see these dudes all out here
Tryna spit
But they got no game

Put your hands
Right down my pants
Now watch it grow like rogame
Yeah you say my dick is fire
But that pussy got the propane
You know I got that magic
Ain't talking about hats and rabbits
I'll turn a prude to an addict
She fucking me just for practice
She wants to test her new mattress
Girl you know you gotta have it
Yeah I beat the pussy up
Should change my current name to Cashis
Uh

I got slutty problems
I got problems
These hoes all wanna fuck me
That's my problem
These girls be tryna cuff me
That's a problem
I wanna hit like rugby
That's no problem

I be counting up
I be counting up
Henny got me stuck
Henny got me

I just need to know girl
Are you free tonight
I might wanna fuck ya
If it's feeling right
