

# Wasted Time

sKitz Kraven

If you waste my time  
Could you not reach out  
Please don't hit my line  
Cuz I need this time  
Just so I can get over you  
And if I waste your time  
Could you not pick up  
When hit your line  
Cuz it's just too hard  
To not play these games with you  
Oh oh  
Wasted times  
Yeah yeah  
Wasted times  
Oh oh  
Wasted times with you  
Oh oh  
Wasted times  
Yeah yeah  
Wasted times  
Oh oh  
Wasted times with you

I ain't wasting time with ya baby  
Haters pay no mind to them baby  
Cuz they just doubt us  
When together  
We a one of a kind  
Bonnie and Clyde  
Hit my line whenever  
You know I'll slide  
But I got vices  
When we both apart  
Our relationship in a crisis  
Addicted to the women  
And parties  
I'm working night shifts  
While you just be working on me  
I never wanna waste your time  
So why you waste it on me  
You swear I'm bad news  
But you just want me around for life  
Like I'm a tattoo  
They say we nuts about each other  
We some cashews  
You say I'm good but I'm bad  
But your momma used to say  
Don't eat that fast food  
Baby leave

If you waste my time  
Could you not reach out  
Please don't hit my line  
Cuz I need this time  
Just so I can get over you  
And if I waste your time  
Could you not pick up

When hit your line  
Cuz it's just too hard  
To not play these games with you  
Oh oh  
Wasted times  
Yeah yeah  
Wasted times  
Oh oh  
Wasted times with you  
Oh oh  
Wasted times  
Yeah yeah  
Wasted times  
Oh oh  
Wasted times with you

Why you wasting all this time with me  
When we could vibe for free  
But we just play  
Till we both wanna leave  
I swear I hate it  
When you play these games  
When I'm away and on the road  
You just don't stay the same  
Those lil lovey dovey phrases  
You don't say the same  
But when they ask you who's the best  
Make sure to say my name  
Yeah you love it  
Switching feelings  
Like we switching up subjects  
You love to kiss my neck in private  
But be homies in public  
What the fuck man  
I'm about to pay no mind  
I throw out loose change all the time  
I'll find another dime  
But it's cap  
Both of us just keep running back  
You ain't a dime  
You a quarter  
I want my quarter back

If you waste my time  
Could you not reach out  
Please don't hit my line  
Cuz I need this time  
Just so I can get over you  
And if I waste your time  
Could you not pick up  
When hit your line  
Cuz it's just too hard  
To not play these games with you  
Oh oh  
Wasted times  
Yeah yeah  
Wasted times  
Oh oh  
Wasted times with you  
Oh oh  
Wasted times  
Yeah yeah  
Wasted times

Oh oh  
Wasted times with you
