

A Ghost (Interlude)

Skizzy Mars

Like I was saying, I was just riding the wave for so long, you know?
I was so detached from reality, um
I was just like a fucking ghost, bro
And like the living in the moment shit, which like, is cool to an extent, but like
When you're living in the moment too much, and you just have no
Like, I didn't think I was, I thought I was invincible, bro
Some people are like depressed and shit, I was like, alive
I thought I was alive but I was dying
And I was like, you couldn't tell me anything
